Dear SLU students,

I am writing to let you know about a new fellowship opportunity for continuing SLU students. Starting in the Fall 2022 semester, Saint Louis University will require that all undergraduate students complete the [Saint Louis University Core](#), an integrated intellectual experience completed by all baccalaureate students at SLU, regardless of major, program, college, school or campus. In recognition of the important contributions our undergraduate students make to shaping the SLU experience for future students, the University Undergraduate Core Committee (UUCC) invites current SLU undergraduates **to apply for one of eight Undergraduate Core Curricular Fellowships**.

[Students identified as Core Curricular Fellows](#) will serve one-year terms on one of the UUCC's eight Core Curricular Subcommittees, where they will assist in the review of courses submitted to count for the Core. Working in collaboration with the faculty members populating each subcommittee, and formally mentored by the Chair of their subcommittee, Undergraduate Core Curricular Fellows will gain rich, multidimensional insight into course and curricular design in higher education. Descriptions of each subcommittee area can be found below. **Please note: students are free to apply to more than one subcommittee; however, Core Curricular Fellows will serve on only one subcommittee.**

The Call for Applications is attached here; [you can also find it HERE](#). Links to submit an application are embedded in both the PDF and the Google Doc.

DEADLINE FOR APPLICATIONS is March 19th, 2021; appointments will be announced in early April 2021.

We look forward to this partnership with our committed undergraduate students.

Sincerely,

Ellen Crowell
Director of the University Core
